FORWARD-LOOKING STATEMENTS

This presentation may contain statements, estimates or projections that constitute “forward-looking statements” as defined under U.S. federal securities laws. Generally, the words “believe,” “expect,” “intend,” “estimate,” “anticipate,” “project,” “will” and similar expressions identify forward-looking statements, which generally are not historical in nature. Forward-looking statements are subject to certain risks and uncertainties that could cause The Coca-Cola Company’s actual results to differ materially from its historical experience and our present expectations or projections. These risks include, but are not limited to, the negative impacts of the novel coronavirus (COVID-19) pandemic on our business; obesity and other health-related concerns; evolving consumer product and shopping preferences; increased competition; water scarcity and poor quality; increased demand for food products and decreased agricultural productivity; product safety and quality concerns; perceived negative health consequences of certain ingredients, such as non-nutritive sweeteners and biotechnology-derived substances, and of other substances present in our beverage products or packaging materials; an inability to be successful in our innovation activities; an inability to protect our information systems against service interruption, misappropriation of data or breaches of security; failure to comply with personal data protection and privacy laws; failure to digitize the Coca-Cola system; changes in the retail landscape or the loss of key retail or foodservice customers; an inability to expand operations in emerging and developing markets; fluctuations in foreign currency exchange rates; interest rate increases; an inability to maintain good relationships with our bottling partners; a deterioration in our bottling partners’ financial condition; increases in income tax rates, changes in income tax laws or unfavorable resolution of tax matters; increased or new indirect taxes in the United States and throughout the world; an inability to successfully manage the possible negative consequences of our productivity initiatives; an inability to attract or retain a highly skilled and diverse workforce; increased cost, disruption of supply or shortage of energy or fuel; increased cost, disruption of supply or shortage of ingredients, other raw materials, packaging materials, aluminum cans and other containers; increasing concerns about the environmental impact of plastic bottles and other plastic packaging materials; changes in laws and regulations relating to beverage containers and packaging; significant additional labeling or warning requirements or limitations on the marketing or sale of our products; unfavorable general economic conditions in the United States; unfavorable economic and political conditions in international markets; litigation or legal proceedings; conducting business in markets with high-risk legal compliance environments; failure by our third-party service providers and business partners to satisfactorily fulfill their commitments and responsibilities; failure to adequately protect, or disputes relating to, trademarks, formulae and other intellectual property rights; adverse weather conditions; climate change and legal or regulatory responses thereto; damage to our brand image, corporate reputation and social license to operate from negative publicity, whether or not warranted, concerning product safety or quality, workplace and human rights, obesity or other issues; changes in, or failure to comply with, the laws and regulations applicable to our products or our business operations; changes in accounting standards; an inability to achieve our overall long-term growth objectives; deterioration of global credit market conditions; default by or failure of one or more of our counterparty financial institutions; an inability to renew collective bargaining agreements on satisfactory terms, or we or our bottling partners experience strikes, work stoppages or labor unrest; future impairment charges; multi-employer pension plan withdrawal liabilities in the future; an inability to successfully integrate and manage our company-owned or-controlled bottling operations or other acquired businesses or brands; an inability to successfully manage our refranchising activities; failure to realize a significant portion of the anticipated benefits of our strategic relationship with Monster Beverage Corporation; global or regional catastrophic events; and other risks discussed in our filings with the SEC, including our Annual Report on Form 10-K for the year ended December 31, 2019, which filings are available from the SEC. You should not place undue reliance on forward-looking statements, which speak only at the date they are made. We undertake no obligation to publicly update or revise any forward-looking statements.

STRIVING TO MAKE A DIFFERENCE IN THE COMMUNITIES WE SERVE

Some of the latest examples of contribution efforts:

• The Coca-Cola Foundation has awarded $40 million in humanitarian aid, benefiting more than 17 million people in communities across the world.

• Costa Coffee donated 250,000+ hot drinks to National Health Service workers. Thousands of Costa Coffee cans are being delivered to hospitals.

• Millions of dollars of planned marketing spend donated to personal protective equipment (PPE) and beverages for healthcare workers.

• The fairlife® team contributed $100,000 to Frontline Foods to provide frontline medical workers with fresh, healthy meals from local restaurants.

Q&A
SOLID MOMENTUM PRIOR TO CORONAVIRUS PANDEMIC

**Started the Year Strong**

- **Volume Growth Through February***: +3%
- Gaining Share
- Solid Innovation Pipeline

**Coronavirus Impacts**

- Sharp Declines in Away-From-Home Channels** (Represent ~50% of Our Business)
- Some Level of Pantry Loading in At-Home Channels
- Significant Increase in e-Commerce

**Volume Decline April Month-to-Date**: ~25%

* Excluding China
** Away-from-home channels include eating and drinking channels as well as “on-the-go” oriented channels such as convenience retail

Expecting a Temporary but Significant Impact on the Second Quarter
WE ARE SEEING THREE PHASES BEGIN TO FORM

Phase I: Outbreak
- Heavy Lockdown (Sharp Declines in Away-From-Home)
- Shelter-in-Place Mandates (Pantry Loading)
- Social Distancing (Steep Declines in Consumption)

Phase II: Gradual Reopening
- Gradual Reopening of Away-From-Home Channels
- Stable Trends in At-Home Channels
- Overall Improving Trends in Consumption (Will Vary by Market)

Phase III: “New Normal”
- Fear & Uncertainty Expected to Subside
- Robust Assessment of Economic Impact
- Some Behavior Shifts Expected to Remain (e-comm)

Uncertainty Remains on the Duration and Severity of these Phases
WHAT WE ARE LEARNING

EARLY SIGNS FROM CHINA

Phase I

Outbreak

January to February

• Solid start to the year with +DD% volume growth (YTD Jan.)
• Strong sell-in for Chinese New Year followed by strong activation
• Gaining NARTD share (YTD Feb.)
• Heavy lockdown with February volume down ~65%.

Phase II

Gradual Reopening

March to Mid-April

• Strong focus on Core Brands (TM Coke +DD%).
• Upsurge in our e-comm business, +50% increase for Q1 ’20. Gained Sparkling Share within e-comm channels.
• Number of active customer outlets improve, but still well below pre-crisis level.

Phase III

“New Normal”

Seeing Sequential Improvement in China, but Full Recovery Will Take Time

FINANCIAL STRATEGY

SOLID LIQUIDITY POSITION AND CLEAR CAPITAL ALLOCATION PRIORITIES

Solid Liquidity Position & Balance Sheet

• Solid progress in 2019 on free cash flow* generation.
• Strong demand for our March $5 billion debt offering across all our tenors.
• $9 billion in untapped backup lines of credit available at attractive rates.
• Secured $3 billion in committed bank loans for maximum flexibility (not drawn down on).
• No concerns today on liquidity.

Clear Capital Allocation Priorities

1. REINVEST IN THE BUSINESS
   Capital and Other Investments to Support the Growth Agenda

2. CONTINUE TO GROW THE DIVIDEND
   Continue to Grow Dividend as a Function of Free Cash Flow*, with 75% Payout Ratio Over Time

3. CONSUMER-CENTRIC M&A
   Striking the Right Balance Between Strategic Rationale, Financial Returns and Risk Profile

4. NET SHARE REPURCHASE
   Return Excess Cash Over Time

* Non-GAAP

We Will Review Our Overall Approach to Capital Allocation as We Know More about the Length and Severity of the Crisis
